**STATEMENT OF OBJECTS AND REASONS**

The National Institute of Pharmaceutical Education and Research was set up as an autonomous body in 1991 as a society namely the National Institute of Pharmaceutical Education and Research Society, S.A.S. Nagar, Mohali, Punjab registered under the Societies Registration Act, 1860. It is proposed to make the Institute a statutory body corporate and declare it as an institution of national importance under entry 64 of List I of the Seventh Schedule to the Constitution of India so that it may develop as a high level Institution of Pharmaceutical Sciences and Other Allied Branches.

2. This Bill seeks to achieve the above object.

### FINANCIAL MEMORANDUM

This Bill seeks to declare the National Institute of Pharmaceutical Education and Research (NIPER) as an Institute of National Importance and bestow upon it academic and functional autonomy on the lines of the Institutes of Technology Act, 1961.

2. Clause 20 of the Bill provides that for the purpose of enabling NIPER to discharge its functions, the Central Government may, after due appropriation made by the Parliament by law in this behalf, pay to the Institute in each financial year such sums of money and in such manner as it may think fit.

3. The sanctioned estimate for setting up of NIPER as approved in December, 1990 was Rs. 25 crores. The recurring expenditure of the Institute is estimated to be Rs. 4.87 crores in the first year of operation and Rs. 6.32 crores in the tenth year of operation. The proposal for enhancing the estimate, on the basis of contributions received from the Pharmaceutical Industry, is under consideration of the Government. It is estimated that the grant from Central Government would reduce from Rs. 4.42 crores in the first year to Rs. 32 lakhs by the tenth year. Since the support from the Pharmaceutical Industry has not been quantified, it is not feasible at this stage to indicate an outlay for the Scheme at this stage.

### MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 8(2)(e) read with clause 25 of the Bill empowers the Board to frame the Statutes in respect of matters of formation of teaching departments; institution of fellowships, scholarships, exhibitions, medals and prizes; classification, method of appointment, conditions of service of officers, teachers and staff of the Institute; constitution of pension, insurance funds and provident funds for teachers and other staff of the Institute; constitution, powers and duties of the authorities of the Institute; establishment and maintenance of halls and hostels; manner of filling of vacancies among members of the Board; allowances to be paid to the Chairperson and other members of the authentication of the orders and decisions of the Board; procedure and quorum for meetings of Senate and any other matter which would require to be prescribed under the Statutes.

2. Clause 26 provides that the first Statutes of the Institute shall be framed by the Board of Governors with the previous approval of the Visitor and a copy of the Statutes shall be laid as soon as may be before each House of the Parliament. This clause also provides that new Statutes or amendments to the Statutes will be made in the same manner by the Board with the previous approval of the Visitor.

3. Clause 27 empowers the Senate to make Ordinances in matters of admission of students; courses of study to be laid down; conditions governing admissions to degree, courses and examinations; conditions of award of fellowships, scholarships, exhibitions, medals and prizes; condition and mode of appointment of examining bodies, examiners, moderators; conduct of examinations; fees to be charged for various courses of study and for admission to examinations; conditions of residence of students and levying of fees for residence in halls and hostels and charges; maintenance of discipline among the students and any other matter for which Ordinances would require to be made.

4. Clause 28 provides that the Ordinances can be made by the Senate of the Institute and such Ordinances, as soon as may be, submitted to the Board in its next succeeding meeting. This clause also provides that the Board shall have the powers to modify or cancel any such Ordinances.

5. The matters in respect of which the Statutes and the Ordinances may be made are matters of procedure and administrative detail. The delegation of legislative power is, therefore, of a normal character.
